

OSLDPS Information Bulletin
No. 00-13 August 23, 2000

TO: All State Administrative Agency Heads
All State Administrative Agency Points of Contact

FROM: C.H. Straub, II
Director

SUBJECT: Defense Logistics Agency (DLA) Equipment Purchase Agreement for Office of Justice Programs (OJP) State and Local Domestic Preparedness Equipment Grant Recipients

Under a signed agreement between the DLA Defense Supply Center Philadelphia (DSCP) and OJP's Office for State and Local Domestic Preparedness Support (OSLDPS), state and local jurisdictions that have or will receive OJP equipment funding through OJP's State and Local Domestic Preparedness Equipment Support Program may utilize DSCP prime vendors to expedite domestic preparedness equipment purchases for their jurisdictions. To take advantage of this special program, state and local jurisdictions are encouraged to contact DSCP directly to establish an account with a fire fighting prime vendor representing your region, and to further familiarize your agency with the purchasing process. To contact DSCP about establishing an account, please call Bill Litz at (215) 737-4452, or Steve D'Agostino at (215) 737-2475.

A fact sheet explaining this program in greater detail will be provided to all OJP grantees as soon as possible. In the meantime, if you need to discuss this program with OSLDPS staff, feel free to call either Frank Lepage or Bob Johns who can be reached at (202) 305-9887.
