and Customs
Enforcement

FACT SHEET

February 5, 2006

Fiscal Year 2006

United States Immigration and Customs Enforcement (ICE), established in 2003, is the largest investigative arm of the Department of Homeland Security (DHS), with a mission to protect America and uphold public safety. We fulfill this mission by identifying criminal activities and eliminating vulnerabilities that pose a threat to our nation's borders, as well as enforcing economic, transportation and infrastructure security.

FY 2006 Enhancements (Actual): (\$ in thousands)

- **Visa Security Program Expansion**\$5,000 5 FTE
Funding supported one additional Visa Security Unit (VSU). The VSU staff stationed at overseas posts, including Saudi Arabia, will work cooperatively with U.S. consular officials to promote homeland security in the visa process.
- **Temporary Worker Worksite Enforcement**\$10,000 51 FTE
As part of the President's Temporary Worker Program, in which willing foreign workers will work for willing U.S. employers, enforcement of immigration laws against companies that break the law and hire illegal workers will increase. ICE officers will conduct employer audits, investigate possible violations, and prepare criminal employer case presentations.
- **Interagency Crime and Drug Enforcement (ICDE) Activities**\$43,678 346 FTE
ICDE activities currently funded through reimbursements from the Department of Justice were funded by direct appropriation to ICE starting in 2006.
- **Custody Management/Bedspace**.....\$104,000 104 FTE
Apprehensions made by the fugitive operations teams each require a detention bed, on average for about 40 days. The resources will support needs of the 30 fugitive operations teams first funded in FY 2005. This has a direct effect on public safety and national security.
- **Alternatives to Detention**.....\$15,400 32 FTE
ICE's Intensive Supervision Appearance Program (ISAP) is a community-based case management program that provides close supervision of illegal aliens emphasizing compliance with Immigration Court requirements. It puts low-risk aliens under intensive supervision, rather than detention.
- **Fugitive Operations**\$24,880 30 FTE
The resources strengthened the Fugitive Operation Division by providing an expanded capability to identify, locate, and apprehend fugitive aliens for removal from the United States.
- **Institutional Removal Program**.....\$23,355 69 FTE
Resources provided for staff to be placed strategically throughout the various federal, state, and local prison systems within the United States to substantially improve the identification of removable aliens who are serving criminal sentences.
- **Enhanced Border Control/Interior Repatriation**\$39,349 0 FTE
Funding was used to return Mexican nationals who illegally enter the United States to their hometowns in the interior of Mexico on a voluntary basis.

Fiscal Year 2006 cont.

- **Legal Proceedings.....\$3,500 24 FTE**

Resources provided for additional attorneys and support staff required to increase the ability of ICE legal program to complete matters in Immigration Court and help reduce the gap with backlogged matters per year.

ICE

U.S. Immigration and Customs Enforcement was established in March 2003 as the largest investigative arm of the Department of Homeland Security. ICE is comprised of four integrated divisions that form a 21st century law enforcement agency with broad responsibilities for a number of key homeland security priorities.
