Office of the Press Secretary

For Immediate Release

April 22, 2009

The President today declared a major disaster exists in the State of Indiana and ordered Federal aid to supplement State and local recovery efforts in the area struck by severe storms, tornadoes, and flooding during the period of March 8-14, 2009.

The President's action makes Federal funding available to affected individuals in Allen, Carroll, DeKalb, Fulton, Jasper, Kosciusko, Lake, LaPorte, Marshall, Noble, Pulaski, White, and Whitley Counties.

Assistance can include grants for temporary housing and home repairs, low-cost loans to cover uninsured property losses, and other programs to help individuals and business owners recover from the effects of the disaster.

Federal funding also is available on a cost-sharing basis for hazard mitigation measures statewide.

Regis Leo Phelan has been named as the Federal Coordinating Officer for Federal recovery operations in the affected area.

FEMA said additional designations may be made at a later date if requested by the State and warranted by the results of further damage assessments.

FEMA said that residents and business owners who sustained losses in the designated counties can begin applying for assistance tomorrow by registering online at <http://www.DisasterAssistance.gov> or by calling 1-800-621-FEMA(3362) or 1-800-462-7585 (TTY) for the hearing and speech impaired. The toll-free telephone numbers will operate from 8 a.m. to 6 p.m. (local time) seven days a week until further notice.
