1. REISSUANCE AND PURPOSE

This Directive:

1.1. Reissues reference (a) and designates the military commanders authorized to issue regulations for the protection or security of property or places under their command, in accordance with Section 797 of 50 U.S.C. (Section 21 of the "Internal Security Act of 1950") (enclosure E1.).

1.2. Authorizes the publication of DoD 5200 8-R "Physical Security Program," in accordance with reference (b), to establish consistent minimum standards for the protection of DoD installations and resources.

1.3. Replaces references (c) and (d), and incorporates necessary requirements of those DoD issuances into DoD 5200.8-R.

2. APPLICABILITY

This Directive applies to the Office of the Secretary of Defense, the Military Departments (including the National Guard and Reserve components), the Chairman of the Joint Chiefs of Staff and the Joint Staff, the Unified and Specified Commands, the Inspector General of the Department of Defense, the Defense Agencies, and the DoD Field Activities (hereafter referred to collectively as "the DoD Components").

3. POLICY

It is DoD policy that:

3.1. Military installations, property, and personnel be protected and that applicable laws and regulations be enforced.

3.2. The authority of a DoD installation commander to take reasonably necessary and lawful measures to maintain law and order and to protect installation personnel and property has long been recognized as follows:

3.2.1. That authority extends to temporarily established "National Defense Areas" under emergency situations such as accident sites involving Federal equipment or personnel on official business.

3.2.2. That authority also includes the removal from, or the denial of access to, an installation or site of individuals who threaten the orderly administration of the installation or site.

3.2.3. That authority must not be exercised in an arbitrary, capricious, or discriminatory manner. Removal or denial actions must be based on reasonable grounds and be judiciously applied.

3.2.4. Statutory authority also exists prohibiting individuals from reentering an installation after they have been removed and ordered not to reenter under Section 1382 of 18 U.S.C. (enclosure E2.). If this order is violated, the commander of a DoD installation has authority to detain persons not subject to military law until the civil authorities can respond. Prosecution of offenders is appropriate.

4. RESPONSIBILITIES

4.1. The Under Secretary of Defense for Policy shall develop overall security policy including requirements for the DoD Physical Security Program.

4.2. The Secretaries of the Military Departments and the Heads of the Other DoD Components shall establish policies and procedures to implement this Directive.

5. PROCEDURES

5.1. The following military commanders shall issue the necessary regulations for the protection and security of property or places under their command, in accordance with Section 797 of 50 U.S.C. (enclosure E1.):

5.1.2. The commanding officers of all naval ships, bases, stations, camps, activities, or installations and the commanding officers of all Marine Corps bases, camps, stations, and supply activities, subject to the jurisdiction, administration, or in the custody of the Department of the Navy.

5.1.3. The commanders of major air commands, numbered air forces, air divisions, wings, groups, or installations subject to the jurisdiction administration, or in the custody of the Department of the Air Force.

5.1.4. The commanders of installations or activities subject to the jurisdiction, administration, or in the custody of the Defense Agencies or separate operating activities.

5.1.5. The commanders of installations or activities subject to the jurisdiction, administration, or in the custody of the Commanders in Chief of the Unified and Specified Commands, or the Chairman of the Joint Chiefs of Staff.

5.1.6. The commanders in the chain of command immediately above an installation or activity not headed by a military commander shall issue regulations or orders on the security of the installation or activity. Where there is no military commander in the chain, necessary proposed regulations or orders shall be forwarded to the Under Secretary of Defense for Policy for processing.

5.2. The military commanders shall prepare, conspicuously post, and enforce the security orders and regulations issued, in accordance with this Directive and the cited public laws, to ensure the proper safeguarding of personnel, facilities, and property

from loss, destruction, espionage, terrorism, or sabotage.

5.3. In promulgating security regulations, the military commanders shall comply with policies and procedures established by the Head of the DoD Component concerned. All security orders and regulations shall be submitted for review to ensure legal sufficiency by the servicing Judge Advocate or other legal advisor to the command.
