NUMBER 5210.64

November 6, 1978

Administrative Reissuance Incorporating Change 1, November 16, 1994

ASD(C)

SUBJECT: Alternate Joint Communications Center Protection Program

References: (a) DoD Directive 5200.25, "Alternate Joint Communications Center Counterintelligence Program," October 16, 1969 (hereby canceled)
(b) DoD Directive 3020.26, "Continuity of Operations Policies and Planning," July 3, 1974
(c) through (i), see enclosure E1.

1. PURPOSE

This Directive establishes the Alternate Joint Communications Center Security Program; assigns responsibilities, and prescribes procedures to ensure that constant security at the Alternate Joint Communications Center (AJCC) is maintained.

2. APPLICABILITY

2.1. The provisions of this Directive apply to:

2.1.1. The Office of the Secretary of Defense, the Military Departments, the Organization of the Joint Chiefs of Staff, and the Defense Agencies (referred to as "DoD Components") that have elements of their activities located at the AJCC; and

2.1.2. Activities of other Executive Departments and Agencies located at the AJCC by agreement.

2.2. For the purpose of this Directive, the activities in 2.1.1. and 2.1.2., above, are identified as "tenant units."

3. POLICY

It is the policy of the Department of Defense that maximum security protection be ensured for the AJCC so that there can be a continuation of operations in the event of a national emergency.

4. RESPONSIBILITIES

4.1. The Assistant Secretary of Defense (Comptroller), or a designee, shall provide overall security policy guidance, and shall:

4.1.1. Resolve any policy conflicts pertaining to the program.

4.1.2. Monitor actions taken to correct security deficiencies at the AJCC.

4.1.3. Coordinate with the Deputy Under Secretary of Defense (Policy) security matters that raise substantial policy issues.

4.2. The Chairman, Joint Chiefs of Staff, or a designee, shall monitor the overall operational capability of the AJCC so as to be reasonably sure that the AJCC, particularly Site R/RT, would in fact be available when operationally required under emergency continuity of operations procedures (see DoD Directives 3020.26, S-5100.44, and 5100.30, references (b), (c), and (d), respectively).

4.3. The Secretary of the Army, as Executive Manager of the AJCC (including Site R/RT), shall establish and manage an effective protection program for the AJCC and all tenant units, and shall:

4.3.1. Develop and implement a security plan, including physical security requirements, that provides a high degree of assurance for the continued operational availability of Site R/RT when needed under emergency or wartime conditions.

4.3.2. Provide for external and, in cooperation with tenant units, internal security.

4.3.3. Effect necessary programming, budgeting, and accounting actions to ensure fulfillment of the AJCC protection program.

4.3.4. Process requirements for specialized security equipment in accordance

with the provisions of DoD Directive 3224.3 (reference (e)).

4.3.5. Assign qualified security personnel from the Department of the Army military and civilian personnel authorizations to the AJCC security program.

4.3.6. Coordinate, with tenants, changes in security requirements applicable to tenant units prior to initiating such changes.

4.3.7. Execute host-tenant agreements which set forth tenant security responsibilities to ensure effectiveness of the program.

4.3.8. Report immediately to the Assistant Secretary of Defense (Comptroller) and to the Chairman, Joint Chiefs of Staff, significant developments affecting security at the AJCC. In addition, all security hazards and violations shall be reported to tenant units concerned.

4.3.9. Conduct an annual operations security (OPSEC) survey, report the survey results and an evaluation of the security posture of the AJCC to the ASD(C), with an information copy to the Chairman, Joint Chiefs of Staff.

4.4. Tenant units of the AJCC shall cooperate with and assist the Department of the Army is carrying out the program, and shall:

4.4.1. Conform to AJCC security requirements.

4.4.2. Conform to their parent Agencies' internal security requirements within their assigned areas. For DoD Components the requirements are contained in DoD 5200.1-R and DIAM 50-3, as applicable (references (f) and (g)).

4.4.3. Inform their parent Agency, with an information copy to the Secretary of the Army, or designee, of all security hazards or violations in their unit areas and of related corrective actions.

4.4.4. Allow the Secretary of the Army, or a designee, to make reasonable security checks of the unoccupied tenant areas during nonoperational hours to ensure uniform compliance with security policy objectives.

4.4.5. Establish security requirements for automated data processing in accordance with DoD Directive 5200.28 and DoD Manual 5200.28-M (references (h) and (i)).

5. EFFECTIVE DATE

This Directive is effective *immediately*.
