Executive Order 11438

PRESCRIBING PROCEDURES GOVERNING INTERDEPARTMENTAL CASH AWARDS TO THE MEMBERS OF THE ARMED FORCES

By virtue of the authority vested in me by section 1124 (b) and (e) of title 10, United States Code, and section 301 of title 3, United States Code, and as President of the United States, it is ordered as follows:

SECTION 1. Any suggestion, invention, or scientific achievement by a member of the armed forces that contributes to the efficiency, economy, or other improvement of operations of the Government of the United States through its adoption or use by an executive department or agency other than the executive department having jurisdiction over the armed force of the member concerned may be the basis for honorary recognition or a cash award by the Secretary of Transportation in the case of a member of the Coast Guard when it is not operating as a service in the Navy or by the Secretary of Defense in the case of any other member of the armed forces.

SEC. 2. An executive department or agency that adopts or uses the suggestion, invention, or scientific achievement of a member of the armed forces who is not under its jurisdiction may recommend to the Department of Defense or to the Department of Transportation, as appropriate, a cash award or honorary recognition of the member and shall justify its recommendation with appropriate documentation and explanation of how the suggestion, invention, or scientific achievement contributes to the efficiency, economy, or other improvement of the operations of the Government of the United States. Awards shall be made under regulations to be prescribed by the Secretary of Defense or the Secretary of Transportation, as appropriate. The regulations of the Department of Defense and Department of Transportation may include designations of officials to whom authority for receiving, evaluating, and making awards may be assigned.

SEC. 3. No cash awards hereunder for a single suggestion, invention, or scientific achievement may exceed \$25,000 regardless of the number of agencies or departments which may adopt or use the suggestion, invention, or scientific achievement.

SEC. 4. Funds to cover the costs of cash awards to members of the armed forces shall be transferred from the account of any executive department or agency which recommends the award to the appropriate account of the Department of Transportation or the Department of Defense, as the case may be. When several executive departments or

agencies benefit from the adoption or use of the suggestion, invention, or scientific achievement, the amount transferred from each such benefiting department or agency to the Department of Transportation or the Department of Defense to cover the proportionate share of the cost of the cash award shall be determined under procedures prescribed by the Civil Service Commission in accordance with the same guidelines and standards applying to awards to civilian employees.
