

Fact Sheet: National Preparedness Month 2006 Coalition Members

Release Date: 07/17/06 00:00:00

The U.S. Department of Homeland Security is working with a wide variety of public and private sector organizations to educate the public about the importance of family emergency preparedness. Throughout the summer and fall, these organizations will provide information, host events and sponsor activities that disseminate emergency preparedness messages to their customers, members, employees, stakeholders and communities across the nation. Below is a listing of the national organizations who are members of the National Preparedness Month 2006 Coalition as of July 17, 2006. In addition, more than 130 regional, state and local organizations have also signed on.
