Figures may not add up due to rounding.

**Notes:**

- a. From FY2005 onward, \$200 million per year in ESF has been delivered in the form of “budget support” — cash transfers to Pakistan.
- b. Congress authorized Pakistan to use the FY2003 ESF allocation to cancel \$988 million and the FY2004 allocation to cancel \$495 million in concessional debt to the U.S. government.
- c. Includes a \$60 million supplemental ESF request.
- d. Includes Child Survival and Health; Development Assistance; Emergency Refugee and Migration Assistance; and International Disaster and Famine Assistance.
- e. Includes International Military Education and Training; International Narcotics Control and Law Enforcement; Nonproliferation, Anti-Terrorism, Demining and Related; Pentagon Section 1206 train and equip funds; and Pentagon counternarcotics funds.
- f. Includes \$73 million for border security projects that continued in FY2003.
- g. CSF is Pentagon funding to reimburse Pakistan for its support of U.S. military operations. It is not considered to be foreign assistance, although it is often portrayed as such.
- h. Includes \$220 million in Peacekeeping Operations Emergency Response Funds reported by the State Department.
- i. Includes pending supplemental CSF payments of \$200 million.
- j. The Administration has requested \$1.7 billion in further CSF in FY2008. The Emergency Supplemental Appropriations Act for Defense, 2008 (S. 2340) would appropriate \$300 million for such purposes.
- k. P.L.480 Title I (loans), P.L.480 Title II (grants), Section 416(b) of the Agricultural Act of 1949, as amended (surplus agricultural commodity donations), and Food for Progress.
