Department of Defense

“1033” PROGRAM!
Purpose

- Allows the Department of Defense to transfer excess property (suitable for law enforcement purposes) to Federal, State, and Local agencies.
- Priority given to counter drug and counter terrorism activities.
- Law Enforcement and limited Corrections
Conditions

- Must be excess to the Department of Defense.
- Must be from Existing Stock.
- Property is “as is” and “where is”.
- Transfer has to be made without the use of DOD funds.
- No charge for property (states may charge).
Items Available

- Normally anything the military normally uses.
- Not all items are available on a continual basis.
- Some items require justification.
- Items available under all programs.
Computers Through 1033

- Available through Internet and 1033 Coordinator
- All Types of Computer Equipment Available
- Working on New System and Procedures.
HOW TO PARTICIPATE
1033 PROGRAM

- Program is run by the Defense Logistics Agency’s Law Enforcement Support Office, Ft. Belvior, VA.

- Each state has a coordinator appointed by the Governor to administer the program.

- Each state administers the program differently.
Contact the State Coordinator and file the application.

Application is forwarded to LESO.

LESO sends a letter that allows the department to visit DRMO’s.
Obtaining Property

- Visit DRMOS and physically tag property and request issuance.
- Requisition property from DRMO through the Internet. (Password and authorization obtained from State Coordinator)
Guidelines to success

- 1033 Program is a privilege.
- Items must be for Law Enforcement purposes.
- Effort and dedication of resources
1122 Program
1122 Program

- Allows State and Local Law Enforcement Agencies to purchase property through the Federal Government for counter drug activities.

- Sources of equipment:
  - Dept. of Defense
  - Defense Logistics Agency
  - General Services Administration
