SUBJECT: Pentagon Reservation Component Emergency Response Guide

This directive-type memorandum approves the Pentagon Reservation Component Emergency Response Guide (PCERG) for implementation. DoD Instruction O-3020.43, Emergency Management and Incident Command on the Pentagon Facilities requires Components to maintain and exercise internal emergency plans, and to train their personnel on these plans. The attached PCERG provides procedures for Components of the Pentagon Reservation to follow in satisfying this requirement.

The PCERG was approved by the Pentagon Governance Council and is effective immediately. The PCERG will be incorporated into a DoD issuance within 180 days.

The PCERG is an important step in providing for the safety and security of our workforce. I have assigned Mr. Steve Winkler from the PFPA Policy Office as the POC for the coordination of this project. He can be reached at 703-692-9123, Ext 136 or email: Steve.Winkler@pfpa.mil.
