U.S. Pacific Fleet Guidance

Our Mission

The U.S. Pacific Fleet protects and defends the maritime interests of the United States in the Indo-Asia-Pacific region. By providing combat-ready naval forces and operating forward in global areas of consequence, we enhance stability, promote maritime security and freedom of the seas, defend our homeland, deter aggression and when necessary, conduct decisive combat action against the enemy. In support of Pacific Command's Theater Campaign Plan we will continue to work alongside our fellow Pacific Command Component Commanders to accomplish Pacific Command's mission. We will collaborate and partner with U.S. Fleet Forces Command to ensure optimum warfighting capacity and capability. We are ready and able to execute our mission in the Indo-Asia-Pacific and around the world.

Our Vision

- Lead America's rebalance to the Pacific
- Be a combat-ready Fleet, able to respond to any contingency when called
