Notes:

- a. Includes \$312 million “global train and equip” funds from FY2006-FY2009 as authorized by Section 1206 of the National Defense Authorization Act (NDAA) for FY2006 (P.L. 109-163), within which \$100 million in FY2008 and FY2009 funds went to train and equip Pakistan’s paramilitary Frontier Corps.
- b. P.L.480 Title I (loans), P.L.480 Title II (grants), and Section 416(b) of the Agricultural Act of 1949, as amended (surplus agricultural commodity donations). Food aid totals do not include freight costs.
- c. CSF is Defense Department funding to reimburse Pakistan for its logistical and operational support of U.S.-led. military operations; it is technically not foreign assistance. Figures in the CSF row reflect *actual payments by appropriation year* and not appropriations themselves.
- d. Congress authorized Pakistan to use the FY2003 and FY2004 ESF allocations to cancel a total of \$1.5 billion in debt to the U.S. government.
- e. The NDAA for FY2013 disallowed reimbursements to Pakistan for the period during which U.S. ground lines of communication to Afghanistan were closed (November 2011-July 2012). The NDAA for FY2014 limits FY2014 CSF for Pakistan to \$1.2 billion. The NDAA for FY2015 authorizes up to \$1 billion in additional CSF to Pakistan.
- f. This funding is “requirements-based;” there are no pre-allocation data.
- g. Because the State Department has not to date released actual country-specific figures for FY2015, the figures in this column reflect the Administration’s original request.
