

## Lessons Learned Information Sharing

www.LLIS.gov

*LLIS.gov* Colleagues,

I am pleased to announce a new partnership between *LLIS.gov* and the Chemical Stockpile Emergency Preparedness Program (CSEPP). *LLIS.gov* is working closely with CSEPP experts to identify and collate essential CSEPP-related resources and Lessons Learned. The CSEPP Resource Page presents planners with a collection of CSEPP-related plans, after-action reports, and studies. To access the CSEPP Resource Page, please log onto [LLIS.gov](http://LLIS.gov) and click on [CHEMICAL STOCKPILE EMERGENCY PREPAREDNESS PROGRAM](#) under LLIS PARTNERS.

As noted in previous communications, the *LLIS.gov* system is currently undergoing significant technical upgrades which will be completed on November 5, 2007. Between now and November 5, 2007, please log onto [LLIS.gov](http://LLIS.gov) so that we can update the security credentials tied to your *LLIS.gov* account. Additionally, please check and modify your contact information to reflect your current status. To modify your information, log onto [LLIS.gov](http://LLIS.gov) and click on SETTINGS located in the top navigation bar. If you have any questions or concerns, please contact our Help Desk at [help@llis.dhs.gov](mailto:help@llis.dhs.gov) and we'll be happy to assist you.

Thank you,  
Karl Fippinger  
*LLIS.gov* Program Director

If you would prefer not to receive messages to this email address, please log into [www.LLIS.gov](http://www.LLIS.gov), go to "Settings" via the top navigation bar, and change the "How often do you want to be notified externally (when external notifications are sent out)?" setting to "Never."
