SHARING INFORMATION

ENHANCING PREPAREDNESS

STRENGTHENING HOMELAND SECURITY

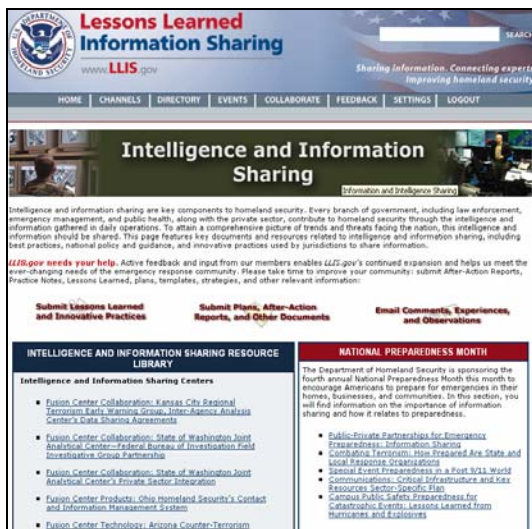

LLIS.gov Intelligence and Information Sharing Resources

A TOOL FOR ENHANCING NATIONAL PREPAREDNESS

Lessons Learned Information Sharing (LLIS.gov) is the Department of Homeland Security's national, online network of lessons learned and best practices for the emergency response and homeland security communities. This initiative, sponsored by the Department of Homeland Security and the Memorial Institute for the Prevention of Terrorism (MIPT), helps emergency response providers and homeland security officials prevent, protect against, respond to, and recover from terrorist attacks, major disasters, and other emergencies. LLIS.gov provides Federal, State, and local responders information and front-line expertise on effective planning, training, and operational practices.

LLIS.gov at a Glance

- Over 37,000 registered members
- Over 11,000 documents, including more than 1,500 state and local plans and 540 after-action reports
- Secure message boards and collaboration tools
- Targeted information on current homeland security topics

INTELLIGENCE AND INFORMATION SHARING

The LLIS.gov Intelligence and Information Sharing page is a one-stop resource for public safety professionals involved in the intelligence and information sharing process. Examples of LLIS.gov Lessons Learned and Best Practices include:

- Fusion Center Products: Ohio Homeland Security's Contact and Information Management System
- Facial Recognition Tools: Arizona Counter-Terrorism Information Center's Facial Recognition Database
- Local Anti-Terrorism Information and Intelligence Sharing: Overview
- Public-Private Partnerships for Emergency Preparedness: Information Sharing

The LLIS.gov Intelligence and Information Sharing page has more than 500 documents, including the latest open-source intelligence and information from recent incidents, bulletins, and good stories about successful information sharing initiatives:

- NYPD Threat Analysis: Failed VBIEDs in London
- Glasgow Airport Illustrates Varied Terrorist Tactics to Attack Transportation Infrastructure
- Fort Dix Plot Illustrates Continuing Threat Posed by Homegrown Islamic Extremists
- Incidents at Water Treatment and Other Facilities Highlight Chlorine Security Vulnerabilities
- Quarterly Infrastructure Suspicious Activity Analysis: Nuclear Sector
- Los Angeles County, California's Terrorism Early Warning Group
- Portland, Oregon's Regional Alliances for Infrastructure and Network Security (RAINS)-Net: Connect and Protect™
- City of Anaheim, California's Enterprise Virtual Operations Center

For more information on LLIS.gov or to register, please go to www.llis.gov.

LLIS.gov is a partnership between the Department of Homeland Security and the Memorial Institute for the Prevention of Terrorism (MIPT) and is supported by DeticaDFI and the Henry L. Stimson Center.
