

Coronavirus Disease 2019 (COVID-19)

COVID-19 Travel Recommendations by Country

Current Travel Notices

Level 3 Travel Health Notice: Widespread ongoing transmission with restrictions on entry to the United States

CDC recommends that travelers avoid all nonessential travel to the following destinations. Most foreign nationals who have been in one of these countries during the previous 14 days will not be allowed to enter the United States.

- [China](#)
- [Iran](#)
- [Most European Countries](#)
- [United Kingdom and Ireland](#)

Level 3 Travel Health Notice: Widespread ongoing transmission without restrictions on entry to the United States

CDC recommends that travelers avoid all nonessential travel to all global destinations:

- [Global Pandemic Notice](#)

Level 2 Travel Health Notice: Ongoing community transmission

CDC recommends that older adults and people of any age with serious chronic medical conditions should consider postponing nonessential travel to most global destinations.

Level 1 Travel Health Notice: Limited community transmission

CDC recommends travelers practice usual health precautions recommended for their destination.
