

# Coronavirus (COVID-19) Pandemic: Daily Briefing Points Supplemental

---

Wednesday, May 20, 2020

---

## Regional Response

---

### Region I

#### Connecticut

Critical supplies delivered: 251,186 N95 respirators, 1.8 million gloves, 194,469 face shields, 806,534 surgical masks and 350 ventilators.

- As of May 19, FEMA has obligated more than \$27.6 million in federal support to Connecticut.
- As of May 13, four alternate care sites are operating throughout the state: St. Francis Hospital in Hartford, Middlesex Hospital in Middletown, Danbury Hospital in Danbury and Stamford Hospital in Stamford.
- As of May 19, one Battelle N95 decontamination unit is operational in the New Britain/New Haven area.
- A phased reopening starts May 20.

#### Maine

Critical supplies delivered: 263,787 N95 respirators, 230,914 gloves, 42,801 face shields and 204,393 surgical masks.

- As of May 19, FEMA has obligated more than \$10.6 million in federal support to Maine.
- A phased reopening is underway.

#### Massachusetts

Critical supplies delivered: 1.7 million N95 respirators, 564,408 gloves, 369,557 face shields, 737,120 surgical masks and 400 ventilators.

- As of May 19, FEMA has obligated more than \$62.0 million in federal support to Massachusetts.
- As of May 6, several alternate care sites are operating in Massachusetts: Boston Convention and Exposition Center, DCU Center in Worcester, Newton Pavilion and the Former Kindred Hospital in Boston and hotels and skilled nursing centers throughout the Commonwealth.
- As of May 19, one Battelle N95 decontamination unit is operational in Boston/Somerville area.
- A phased reopening is underway.

#### New Hampshire

Critical supplies delivered: 263,442 N95 respirators, 217,612 gloves, 42,697 face shields and 203,849 surgical masks.

- As of May 19, FEMA has obligated more than \$17.5 million in federal support to New Hampshire.
- New Hampshire's stay at home order has been extended to May 31.

## Rhode Island

Critical supplies delivered: 213,487 N95 respirators, 376,926 gloves, 69,905 face shields, 338,003 surgical masks and 100 ventilators.

- As of May 19, FEMA has obligated more than \$21.6 million dollars in federal support to Rhode Island.
- As of May 19, one Battelle N95 decontamination unit is operational in the North Kingston/Providence area.
- A phased reopening is underway.

## Vermont

Critical supplies delivered: 132,940 N95 respirators, 384,368 gloves, 67,875 face shields and 315,940 surgical masks.

- As of May 19, FEMA has obligated more than \$9.4 million in federal support to Vermont.
- As of May 7, one alternate care site in Essex Junction is operational.
- Stay at home orders extended until June 15.

## Region 2

### New York

Critical supplies delivered: 9.6 million N95 respirators, 2.9 million gloves, 539,294 face shields, 2.6 million surgical masks and 4,430 ventilators.

- As of May 19, FEMA has obligated more than \$1.1 billion in federal support to New York.
- The USNS Comfort completed its mission in New York City. The hospital ship arrived on March 30 and cared for 182 patients. The USNS Comfort departed New York City on April 30.
- The Jacob Javits Center alternate care facility has discharged or transferred all patients. While it was operational it cared for 1,095 patients.
- As of May 19, two Battelle N95 decontamination units are located in New York.
- New York's stay at home order extended until June 13, except in areas upstate that have reached benchmarks for reopening.

### New Jersey

Critical supplies delivered: 3.5 million N95 respirators, 7.1 million gloves, 851,393 face shields, 1.3 million surgical masks and 1,065 ventilators.

- As of May 19, FEMA has obligated more than \$436.0 million in federal support to New Jersey.
- Two UAMTFs made up of 157 medical personnel are supporting three sites in New Jersey: Newark University Hospital, Salem Hospital, and the ACS in Atlantic City.
- As of May 19, one Battelle N95 decontamination unit is located in Meadowlands.
- New Jersey's stay at home order remains in effect until terminated.

### Puerto Rico

Critical supplies delivered: 213,634 N95 respirators, 278,656 gloves, 143,723 face shields and 344,275 surgical masks.

- As of May 19, FEMA has obligated \$43.8 million in federal support to Puerto Rico.
- Puerto Rico's stay at home order remains in effect until May 24.

## U.S. Virgin Islands

Critical supplies delivered: 34,521 N95 respirators, 48,760 gloves, 8,730 face shields and 89,054 surgical masks.

- As of May 19, FEMA has obligated \$13.5 million in federal support to U.S. Virgin Islands.
- USVI stay at home order remains in effect until June 1.

## Region 3

### Delaware

Critical supplies delivered: 77,434 N95 respirators, 591,008 gloves, 72,343 face shields, 184,665 surgical masks and 50 ventilators.

- As of May 19, FEMA has obligated \$5.0 million in federal support to Delaware.
- Delaware stay at home orders in effect until May 31, or until the health threat is eliminated.

### Maryland

Critical supplies delivered: 3.4 million N95 respirators, 593,681 gloves, 228,789 face shields, 660,438 surgical masks and 470 ventilators.

- As of May 19, FEMA has obligated \$40.2 million in federal support to Maryland.
- FEMA delivered a 250-bed Federal Medical Station package to the state of Maryland.
- USACE awarded a contract for an alternate care facility at Hagerstown Correctional Facility in Hagerstown, MD. The state took over construction operations on April 24.
- As of May 19, one Battelle N95 decontamination unit is located in Baltimore.
- A phased reopening is underway, with restrictions in place for Montgomery and Prince George's counties.

### Pennsylvania

Critical supplies delivered: 4.4 million N95 respirators, 792,846 gloves, 575,471 face shields and 916,130 surgical masks.

- As of May 19, FEMA has obligated \$73.6 million in federal support to Pennsylvania.
- As of May 19, one Battelle N95 decontamination unit is located in the Harrisburg/Glenn Mills area.
- A phased reopening is underway.

### Virginia

Critical supplies delivered: 545,020 N95 respirators, 632,976 gloves, 101,035 face shields and 610,221 surgical masks.

- As of May 19, FEMA has obligated \$164.9 million in federal support to Virginia.
- As of May 19, three Battelle N95 decontamination units are located in the Blacksburg, Hampton and Richmond areas.
- Virginia's stay at home order ends on June 10, a phased reopening is underway with restrictions remaining in place for Northern Virginia.

## Washington D.C.

Critical supplies delivered: 754,677 N95 respirators, 789,242 gloves, 71,201 face shields, 417,582 surgical masks and 200 ventilators.

- As of May 19, FEMA has obligated \$56.2 million in federal support to the District of Columbia.
- USACE awarded contracts for two alternate care facilities in the District of Columbia at United Medical Center and the Walter Washington Convention Center.
- As of May 19, one Battelle N95 decontamination unit is operational in Washington, DC.
- The Washington D.C. stay at home order ends on June 8, or until an emergency date extension.

## West Virginia

Critical supplies delivered: 178,488 N95 respirators, 231,206 gloves, 81,459 face shields and 320,539 surgical masks.

- As of May 19, FEMA has obligated \$11.7 million in federal support to West Virginia.
- A phased reopening is underway.

## Region 4

### Alabama

Critical Supplies to Alabama: 502,473 N95 respirators, 337,541 gloves, 73,021 face shields and 362,582 surgical masks.

- As of May 19, FEMA has obligated \$27.4 million in federal support to Alabama.
- As of May 19, one Battelle N95 decontamination unit is located in Birmingham.
- A phased reopening is underway.

### Florida

Critical supplies delivered: 2.0 million N95 respirators, 977,872 gloves, 227,699 face shields, 1.1 million surgical masks and 200 ventilators.

- As of May 19, FEMA has obligated \$113.2 million in federal support to Florida.
- As of May 19, one Battelle N95 decontamination unit is located in Miami.
- A phased reopening is underway.

### Georgia

Critical supplies delivered: 1.7 million N95 respirators, 1.4 million gloves, 184,105 face shields, 768,836 surgical masks and 150 ventilators.

- As of May 19, FEMA has obligated \$95.4 million in federal support to Georgia.
- As of May 19, one Battelle N95 decontamination unit is located in Kenshaw.
- A phased reopening is underway.

### Kentucky

Critical supplies delivered: 797,082 N95 respirators, 521,202 gloves, 69,079 face shields and 342,922 surgical masks.

- As of May 19, FEMA has obligated \$17.4 million in federal support to Kentucky.
- As of May 19, one Battelle N95 decontamination unit is located in Louisville.
- A phased reopening underway.

## Mississippi

Critical supplies delivered: 1.3 million N95 respirators, 259,438 gloves, 59,983 face shields and 421,711 surgical masks.

- As of May 19, FEMA has obligated \$22.4 million in federal support to Mississippi.
- As of May 19, one Battelle N95 decontamination unit is located in Jackson.
- A phased reopening is underway.

## North Carolina

Critical supplies delivered: 605,492 N95 respirators, 425,854 gloves, 114,427 face shields and 580,551 surgical masks.

- As of May 19, FEMA has obligated \$24.5 million in federal support to North Carolina.
- A phased reopening is underway.

## South Carolina

Critical supplies delivered: 293,962 N95 respirators, 301,448 gloves, 71,575 face shields and 355,505 surgical masks.

- As of May 19, FEMA has obligated \$68.4 million in federal support to South Carolina.
- As of May 19, one Battelle N95 decontamination unit is located in Eastover.
- A phased reopening is underway.

## Tennessee

Critical supplies delivered: 652,838 N95 respirators, 657,302 gloves, 117,799 face shields and 677,882 surgical masks.

- As of May 19, FEMA has obligated \$127.5 million in federal support to Tennessee.
- As of May 19, one Battelle N95 decontamination unit is located in Lebanon.
- A phased reopening is underway.

## Region 5

### Illinois

Critical supplies delivered: 4.6 million N95 respirators, 7.0 million gloves, 545,230 face shields, 1.5 million surgical masks and 620 ventilators.

- As of May 19, FEMA has obligated \$234.4 million in federal support to Illinois.
- The ACS sites in Elgin, Blue Island and Melrose park are complete with operations handled by the state.
- As of May 19, one Battelle N95 decontamination unit is operational in Waukegan.
- Illinois stay at home order is extended to May 29.

### Indiana

Critical supplies delivered: 1.5 million N95 respirators, 860,534 gloves, 172,793 face shields and 440,683 surgical masks.

- As of May 19, FEMA has obligated \$39.6 million in federal support to Indiana.
- As of May 19, one Battelle N95 decontamination unit is located in Indianapolis.
- A phased reopening is underway.

## Michigan

Critical supplies delivered: 8.6 million N95 respirators, 758,930 gloves, 308,671 face shields, 740,018 surgical masks and 700 ventilators.

- As of May 19, FEMA has obligated \$223.6 million in federal support to Michigan.
- A 1,000-bed ACF in Detroit has closed but will be held on reserve as a warm site and a 250-bed ACF in operational in Novi.
- As of May 19, one Battelle N95 decontamination unit is located in Detroit.
- Michigan stay at home orders are extended to May 28.

## Minnesota

Critical supplies delivered: 466,519 N95 respirators, 323,640 gloves, 77,497 face shields and 519,505 surgical masks.

- As of May 19, FEMA has obligated \$2.5 million in federal support to Minnesota.
- Minnesota stay at home orders are extended to May 18.

## Ohio

Critical supplies delivered: 2.8 million N95 respirators, 6.3 million gloves, 182,291 face shields and 672,263 surgical masks.

- As of May 19, FEMA has obligated \$39.8 million in federal support to Ohio.
- As of May 19, one Battelle N95 decontamination unit is located in Columbus.
- Ohio stay at home orders are extended until May 29.

## Wisconsin

Critical supplies delivered: 450,548 N95 respirators, 487,346 gloves, 80,839 face shields and 504,163 surgical masks.

- As of May 19, FEMA has obligated \$57.5 million in federal support to Wisconsin.
- As of May 19, one Battelle N95 decontamination unit is located in Madison.
- Wisconsin stay at home orders are extended to May 26, with some restrictions currently lifted.

## Region 6

### Arkansas

Critical supplies delivered: 259,947 N95 respirators, 514,682 gloves, 112,762 face shields and 651,434 surgical masks.

- As of May 19, FEMA has obligated \$402,426 in federal support to Arkansas.
- As of May 19, one Battelle N95 decontamination unit is located in Little Rock.
- A phased reopening is underway.

### Louisiana

Critical supplies delivered: 1.6 million N95 respirators, 1.6 million gloves, 103,577 face shields, 494,800 surgical masks and 370 ventilators.

- As of May 19, FEMA has obligated \$149.9 million in federal support to Louisiana.
- As of May 19, one Battelle N95 decontamination unit is located in the New Orleans/Slidell area.
- A phased reopening is underway.

## Oklahoma

Critical supplies delivered: 157,826 N95 respirators, 279,304 gloves, 63,947 face shields and 685,447 surgical masks.

- As of May 19, FEMA has obligated \$18.3 million in federal support to Oklahoma.
- A phased reopening is underway.

## New Mexico

Critical supplies delivered: 100,068 N95 respirators, 265,430 gloves, 59,179 face shields and 237,889 surgical masks.

- As of May 19, FEMA has obligated \$24.8 million in federal support to New Mexico.
- As of May 19, one Battelle N95 decontamination unit is located in Rio Rancho.
- Stay at home order extended to May 31.

## Texas

Critical supplies delivered: 1.3 million N95 respirators, 1.9 million gloves, 290,647 face shields and 1.7 million surgical masks.

- As of May 19, FEMA has obligated \$515.1 million in federal support to Texas.
- As of May 19, five Battelle N95 decontamination units are located in the Austin, Corpus Christie, Dallas, El Paso and Houston areas.
- A phased reopening is underway.

## Region 7

### Iowa

Critical supplies delivered: 148,368 N95 respirators, 345,442 gloves, 84,577 face shields and 451,235 surgical masks.

- As of May 19, FEMA has obligated \$148.7 million in federal support to Iowa.
- No statewide stay at home orders issued, a phased reopening is underway at local levels.

### Kansas

Critical supplies delivered: 516,976 N95 respirators, 2.8 million gloves, 116,842 face shields and 651,434 surgical masks.

- As of May 19, FEMA has obligated \$43.0 million in federal support to Kansas.
- As of May 19, one Battelle N95 decontamination unit is located in the Topeka/Kansas City area.
- A phased reopening with local restrictions is underway.

### Missouri

Critical supplies delivered: 910,789 N95 respirators, 359,996 gloves, 84,399 face shields and 518,001 surgical masks.

- As of May 19, FEMA has obligated \$28.7 million in federal support to Missouri.
- As of May 19, one Battelle N95 decontamination unit is located in Jefferson City.
- A phased reopening is underway.

## Nebraska

Critical supplies delivered: 95,788 N95 respirators, 250,930 gloves, 62,147 face shields and 227,217 surgical masks and five ventilators.

- As of May 19, FEMA has obligated \$16.9 million in federal support to Nebraska.
- A phased reopening is underway.

## Region 8

### Colorado

Critical supplies delivered: 563,122 N95 respirators, 623,136 gloves, 107,305 face shields and 617,524 million surgical masks.

- As of May 19, FEMA has obligated \$216.7 million in federal support to Colorado.
- As of May 19, two Battelle N95 decontamination units are located in the Denver area.
- A phased reopening is underway.

### Montana

Critical supplies delivered: 147,486 N95 respirators, 224,326 gloves, 40,611 face shields and 188,859 surgical masks.

- As of May 19, FEMA has obligated \$12.5 million in federal support to Montana.
- As of May 19, one Battelle N95 decontamination unit is located in Helena.
- A phased reopening is underway at local level.

### North Dakota

Critical supplies delivered: 216,890 N95 respirators, 616,300 gloves, 37,077 face shields and 174,337 surgical masks.

- As of May 19, FEMA has obligated \$12.0 million in federal support to North Dakota.
- As of May 19, one Battelle N95 decontamination unit is located in Bismarck.
- No statewide stay at home orders, a phased reopening is underway at local levels.

### South Dakota

Critical supplies delivered: 90,074 N95 respirators, 204,886 gloves, 113,313 face shields and 182,077 surgical masks.

- As of May 19, FEMA has obligated \$10.1 million in federal support to South Dakota.
- No statewide stay at home orders, a phased reopening is underway at local levels.

### Utah

Critical supplies delivered: 216,714 N95 respirators, 254,284 gloves, 55,329 face shields and 270,189 surgical masks.

- As of May 19, FEMA has obligated \$384,836 in federal support to Utah.
- No statewide stay at home orders, a phased reopening is underway at local levels.

### Wyoming

Critical supplies delivered: 136,534 N95 respirators, 198,538 gloves, 36,125 face shields and 169,343 surgical masks.

- As of May 19, FEMA has obligated \$42,663 in federal support to Wyoming.
- No statewide stay at home orders, a phased reopening is underway at local levels.

## Region 9

### American Samoa

Critical supplies delivered: 39,039 N95 respirators, 76,470 gloves, 8,286 face shields, 38,422 surgical masks and 10 ventilators.

- As of May 19, FEMA has obligated \$1.1 million in federal support to American Samoa.
- Stay at home orders extended to May 31.

### Arizona

Critical supplies delivered: 542,215 N95 respirators, 482,208 gloves, 91,993 face shields and 436,477 surgical masks.

- As of May 19, FEMA has obligated \$23.5 million in federal support to Arizona.
- As of May 19, one Battelle N95 decontamination unit is located in Phoenix.
- A phased reopening is underway.

### California

Critical supplies delivered: 2.2 million N95 respirators, 1.8 million gloves, 505,442 face shields, 3.8 million surgical masks and 170 ventilators.

- As of May 19, FEMA has obligated \$1.0 billion in federal support to California.
- As of May 14, two Battelle N95 decontamination units are located in the Los Angeles and Fairfield/Fremont areas.
- The USNS Mercy hospital ship has finished its mission in Los Angeles, and departed for her San Diego homeport on May 15. Some USNS Mercy personnel continue to provide medical teams for assessment, training and patient support to local skilled nursing facilities in Los Angeles.
- A Federal Medical Station is placed in Imperial County to support concerns about increased medical needs among Americans returning and foreign citizens crossing the border from Mexico into the United States
- No official expiration date, a phased reopening is underway.

### Commonwealth of the Northern Mariana Islands (CNMI)

Critical supplies delivered: 25,029 N95 respirators, 74,430 gloves, 8,272 face shields, 55,948 surgical masks and 25 ventilators.

- As of May 19, FEMA has obligated \$5.1 million in federal support to CNMI.
- Stay at home orders in effect until emergency concludes.

### Guam

Critical supplies delivered: 38,317 N95 respirators, 84,904 gloves, 13,560 face shields, 283,440 surgical masks and 59 ventilators.

- As of May 19, FEMA has obligated \$10.8 million in federal support to Guam.
- Stay at home orders extended until May 30, phased reopening underway with local restrictions.

## Hawaii

Critical supplies delivered: 148,122 N95 respirators, 218,724 gloves, 43,079 face shields and 205,857 surgical masks.

- As of May 19, FEMA has obligated \$39.7 million in federal support to Hawaii.
- Stay at home orders end May 31, a phased reopening is underway with local restrictions.

## Nevada

Critical supplies delivered: 643,707 N95 respirators, 286,680 gloves, 54,775 face shields and 297,285 surgical masks.

- As of May 19, FEMA has obligated \$36.4 million in federal support to Nevada.
- As of May 19, one Battelle N95 decontamination unit is located in Las Vegas.
- A phased reopening is underway.

## Region 10

### Alaska

Critical supplies delivered: 74,114 N95 respirators, 286,252 gloves, 68,605 face shields, 176,063 surgical masks and 60 ventilators.

- As of May 19, FEMA has obligated \$3.9 million in federal support to Alaska.
- Stay at home orders end on May 15.

### Idaho

Critical supplies delivered: 121,090 N95 respirators, 223,974 gloves, 44,887 face shields and 315,357 surgical masks.

- As of May 19, FEMA has obligated \$1.1 million in federal support to Idaho.
- As of May 14, one Battelle N95 decontamination unit is located in Idaho Falls.
- A phased reopening is underway.

### Oregon

Critical supplies delivered: 358,920 N95 respirators, 616,724 gloves, 130,643 face shields, 319,101 surgical masks and 150 ventilators.

- As of May 19, FEMA has obligated \$54.7 million in federal support to Oregon.
- A 45-bed alternate care site at the VA clinic in Eugene is complete.
- As of May 19, one Battelle N95 decontamination unit is located in the Eugene/Wilsonville area.
- No official expiration date, a phased reopening begins May 15 with local restrictions.

### Washington

Critical supplies delivered: 1.5 million N95 respirators, 983,890 gloves, 127,201 face shields, 841,348 surgical masks and 500 ventilators.

- As of May 19, FEMA has obligated \$62.9 million in federal support to Washington.
- Many alternate medical facilities in Washington have closed or relocated.
- As of May 19, one Battelle N95 decontamination unit is located in Tacoma.
- A phased reopening is underway.
