

Coronavirus Pandemic

Whole-of-America Response

Medical Supplies and Equipment

FEMA and the Department of Health and Human Services (HHS) have coordinated the transition of the Supply Chain Advisory Group, formerly the Supply Chain Task Force, to HHS. This mission transition occurred on Sept. 1, 2020 and allows FEMA to focus on responding to other disasters while continuing its Whole-of-American response to COVID-19.

HHS will effectively maintain the future Strategic National Stockpile (SNS) demand and modeling with this advisory group to include medical supply matters, resource requirements, program oversight and the strategic purpose of SNS. FEMA, HHS and their federal partners will continue to collaborate in response to queries in support of the American people.

- As of **Oct. 4**, FEMA, HHS and the private sector coordinated delivery of or are currently shipping: **253 million** N95 masks, **1.1 billion** surgical and procedural masks, **48 million** eye and face shields, **446 million** gowns and coveralls and over **29.2 billion** gloves.
- As of **Aug. 7**, FEMA delivered **30,458** medical supplies to nursing homes to 52 states and territories. One hundred percent of scheduled shipments have been made.
 - [FEMA coordinated two shipments](#) totaling a 14-day supply of personal protective equipment to all 15,400 Medicaid and Medicare-certified nursing homes.
 - Shipments are meant to supplement existing efforts to provide equipment to nursing homes.
- In support of the Department of Veterans Affairs, FEMA coordinated shipments of more than **8.1 million** N95 respirator masks, **500,000** surgical masks, more than **3.3 million** gloves, **595,360** face shields and **30,000** surgical gowns to facilities across the country.
- As of **Oct. 2**, the federal government has approximately **144,205** total ventilators available in the Strategic National Stockpile.
- To date, FEMA, HHS and the Department of Homeland Security (DHS) Cybersecurity Infrastructure and Security Agency (CISA), along with other federal agencies, processed and distributed nearly **350 million** cloth face coverings.
 - Nearly **150 million** of those went to critical infrastructure workers, others went to State, Tribal, Territorial, Voluntary Organizations Active in Disasters (VOAD) partners/stakeholders and other government partners.

Testing

- As of **Oct. 4**, CDC, state, local public health labs and other laboratories have tested more than **117.5 million** samples.

- As of **Oct. 2**, the FDA issued **267** individual [emergency use authorizations](#) for test kit manufacturers and laboratories, including **51** antibody tests and **4** antigen tests.
- As of **July 31**, all 41 original Community-Based Testing Sites have transitioned to state management (**29**) or have closed (**12**) in consultation with the states.
 - As of **Aug. 4**, **398,300** samples were collected at federally supported [Community-Based Testing Sites](#).
- HHS has established a public-private partnership with pharmacy and retail companies to accelerate testing.
 - As of **Oct. 4**, under the CBTS public-private partnership, there are currently **1,342** live sites in 48 states and Washington, D.C., are conducting testing.
 - Over **2.5 million** samples were processed at public-private partnership testing sites.

Federal Funding

- As of **Sept. 30**, all 50 states, five territories, the Seminole Tribe of Florida and Washington, D.C., were approved for major disaster declarations to assist with additional needs identified.
 - As of **Sept. 30**, there are **89** tribes working directly with FEMA: **45** tribes that are direct recipients with emergency declarations and **44** tribes that are recipients under state declarations. One tribe, the Seminole Tribe of Florida (STOF) is, a direct recipient with a major disaster and an emergency declaration,
 - A tribal government may choose to be a subrecipient under a state receiving FEMA assistance, or to choose to be a direct recipient of FEMA.
- As of **Oct. 2**, FEMA obligated over **\$53.5 billion** in support of COVID-19 efforts. This support includes:
 - Emergency Food and Shelter: \$200 million
 - Temporary Medical Facilities including medical personnel, mortuary and ambulance services: \$2 billion
 - PPE including medical supplies and pharmaceuticals: \$2.9 billion
 - National Guard: \$2.2 billion
 - Public Assistance Emergency Protective Measures (Non-PPE): \$1.9 billion
 - Commodities: \$38 million
 - Crisis Counseling: \$282 million
- On August 8, 2020, President Trump made available up to \$44 billion from FEMA's Disaster Relief Fund to provide financial assistance to Americans who have lost wages due to the COVID-19 pandemic. To learn more about FEMA's lost wages supplemental payment assistance, visit: <https://www.fema.gov/fact-sheet/fema-lost-wages-supplemental-payment-assistance>.
 - Over **\$42 billion** made available to **49** states and **two** territories, and Washington, D.C. through the Lost Wages Assistance program (see attachment)

Additional Federal Support

- As of **Oct. 5**, FEMA has **1,066** employees supporting COVID-19 pandemic response out of a total **20,831** agency employees ready to respond to other emergencies should they occur.
- To date, the president has approved **49** National Guard requests for federal support for the use of National Guard personnel in a Title 32 duty status through **Dec. 31**.

BY THE NUMBERS: COVID-19 WHOLE-OF-AMERICA RESPONSE

- As of **Oct. 2**, **16,266** National Guard troops have activated in T-32 duty status and **333** troops have activated in State Active Duty status to help with testing and other response efforts.
- As of **Sept. 28**, **7,190** CDC personnel are supporting the outbreak response.
- As of **Oct. 4**, HHS has **120** personnel supporting the outbreak response.
- As of **Oct. 4**, **116** agencies across **30** states, the District of Columbia, **three** tribes and **one** U.S. territory have used FEMA's Integrated Public Alert and Warning System (IPAWS) to send a total of **428** alerts containing information on COVID-19 to cell phones and other wireless devices via the Wireless Emergency Alert system, and **90** alerts to radios/televisions via Emergency Alert System.
