I. PURPOSE AND BILL SUMMARY

The purpose of H.R. 4513, the “Small Business Advanced Cybersecurity Enhancements Act”, is to amend the Small Business Act

to provide for the establishment of enhanced cybersecurity assistance and protections for small businesses.

II. BACKGROUND AND NEED FOR LEGISLATION

As Small Business Administration (SBA) Resource Partners, Small Business Development Centers (SBDCs) promote the economic growth of small firms, generating business revenue, job creation and job retention, as well as advancing local and regional economies. SBDCs deliver management and technical assistance to small businesses through an extensive business education network comprised of 62 lead centers managing nearly 1,000 outreach locations throughout the country.¹ They deliver professional business advice and training focused on strategic planning, business development, financial planning, and cash flow management to hundreds of thousands of business clients annually.

As more small businesses adopt digital tools, they become more vulnerable to cybersecurity attacks. These incidents can have major consequences, but small businesses may not have the resources to mitigate cybersecurity risks. Small businesses may not have designated information technology (IT) staff and lack in-house technical knowledge to manage adequate protection measures. In the event of a cyberattack, small businesses may face loss of income and customers as well as regulatory fines and penalties, and damage to credit.² Because small businesses are often part of the supply chain for large companies and government procurement systems, a breach could have significant impact on the larger economy.

Federal agencies offer a variety of resources to offset some of the technology and human costs of cybersecurity investment, however, small businesses are often unaware or reluctant to pursue federal assistance. In contrast, SBDCs have a proven track record of understanding and meeting the diverse needs of small businesses, and the demand for cybersecurity resources continues to grow. This legislation will facilitate better information sharing between small businesses and the federal government. Specifically, H.R. 4513 will: (1) foster collaboration by designating Small Business Development Centers (SBDCs) as the primary interface for federal cybersecurity information sharing for small businesses; (2) ensure small businesses that share cyber indicators through SBDCs receive the same protections and exemptions provided in the Cybersecurity Information Sharing Act of 2015; (3) ensure that any policies or rulemaking adopted by any federal agency as a result of small business cyber information sharing do not unfairly burden small businesses; and (4) expand liability protections for small businesses that engage with the federal government in good faith.

H.R. 4513 was introduced by Rep. Byron Donalds (R-FL) and Chairwoman Nydia Velázquez (D-NY) and on July 19, 2021. The bill was first introduced in the 115th Congress as H.R. 4668 by Rep. Steve Chabot (R-OH), and it was approved by the Committee, by voice vote, on March 14, 2018. It was reintroduced by Rep.

Chabot (R–OH) in the 116th Congress as H.R. 1648, and it was approved by the Committee, by voice vote, on May 1, 2019.

III. HEARINGS

The committee hearing “Strengthening the Cybersecurity Posture of America’s Small Business Community,” held on July 20, 2021, evaluated the resources, training, and technical assistance needed to reduce small business cyber vulnerabilities. Members and witnesses discussed how the SBA, and specifically the SBDCs, could play a larger role facilitating collaboration and information sharing between Federal agencies and the private sector. The sponsor of the bill, Mr. Rep. Byron Donalds (R–FL) and Chairwoman Nydia Velázquez (D–NY) offered H.R. 4513 as a tool to improve cybersecurity resources for small businesses, hearing witnesses supported the bill.

In the 116th and 115th Congresses, cybersecurity issues were addressed during numerous hearings. A commonly offered reason for the lack of information sharing, particularly among small businesses, is a lack of resources and liability concerns. The Committee determined that the broad deficit of information sharing between public and private sectors serves as a detriment to the overall cybersecurity posture of the United States.

IV. COMMITTEE CONSIDERATION

The Committee on Small Business met in open session, with a quorum being present, on July 29, 2021 and ordered H.R. 4513 favorably reported to the House of Representatives. During the markup, no amendments were offered.

V. COMMITTEE VOTES

Clause 3(b) of rule XIII of the Rules of the House of Representatives requires the Committee to list the recorded votes on the motion to report legislation and amendments thereto. The Committee approved by voice vote to favorably report H.R. 4513 to the House of Representatives at 11:01 a.m.

Pursuant to clause 3(c)(2) of rule XIII of the Rules of the House of Representatives and section 308(a) of the Congressional Budget Act of 1974, the Committee provides the following opinion and estimate with respect to new budget authority, entitlement authority, and tax expenditures. While the Committee has not received an es-

estimate of new budget authority contained in the cost estimate prepared by the Director of the Congressional Budget Office pursuant to Sec. 402 of the Congressional Budget Act of 1974, the Committee does not believe that there will be any additional costs attributable to this legislation. With respect to the requirements of clause 3(c)(4) of rule XIII of the Rules of the House of Representatives, the performance goals and objectives of H.R. 4513 is to increase SBDC preparedness to assist small businesses with cybersecurity related activities.

XI. DUPLICATION OF FEDERAL PROGRAMS

Pursuant to clause 3(c)(5) of rule XIII of the Rules of the House of Representatives, no provision of H.R. 4513 is known to be duplicative of another Federal program, including any program that was included in a report to Congress pursuant to section 21 of Public Law 111–139 or the most recent Catalog of Federal Domestic Assistance.

XII. CONGRESSIONAL EARMARKS, LIMITED TAX BENEFITS, AND LIMITED TARIFF BENEFITS

With respect to clause 9 of rule XXI of the Rules of the House of Representatives, the Committee finds that the bill does not contain any congressional earmarks, limited tax benefits, or limited tariff benefits as defined in clause 9(e), 9(f), or 9(g) of rule XXI of the Rules of the House of Representatives.

XIII. FEDERAL MANDATES STATEMENT

The Committee adopts as its own the estimate of Federal mandates prepared by the Director of the Congressional Budget Office pursuant to section 423 of the Unfunded Mandates Reform Act.

XIV. FEDERAL ADVISORY COMMITTEE STATEMENT

No advisory committees within the meaning of section 5(b) of the Federal Advisory Committee Act were created by this legislation.

XV. APPLICABILITY TO LEGISLATIVE BRANCH

The Committee finds that the legislation does not relate to the terms and conditions of employment or access to public services or accommodations within the meaning of section 102(b)(3) of the Congressional Accountability Act.

XVI. CONSTITUTIONAL AUTHORITY STATEMENT

Pursuant to clause 7 of rule XII of the Rules of the House of Representatives, the Committee finds the authority for this legislation in Art. I, § 8, cl. 1 of the Constitution of the United States.

XVII. CHANGES IN EXISTING LAW MADE BY THE BILL, AS REPORTED

In compliance with clause 3(e) of rule XIII of the Rules of the House of Representatives, changes in existing law made by the bill, as reported, as shown as follows: existing law proposed to be omitted is enclosed in black brackets, new matter is printed in *italics*, and existing law in which no change is proposed is shown in roman:

(II) If the pro rata amount calculated under subclause (I) for any State is less than the minimum funding level under clause (iii), the Administration shall determine the aggregate amount necessary to achieve that minimum funding level for each such State.

(III) The aggregate amount calculated under subclause (II) shall be deducted from the amount calculated under subclause (I) for States eligible to receive more than the minimum funding level. The deductions shall be made on a pro rata basis, based on the population of each such State, as compared to the total population of all such States.
