H.R. 2746 would realign the geographic jurisdictions of the United States District Courts for the Eastern and Middle Districts of North Carolina.

Using information from the Administrative Office of the U.S. Courts, CBO estimates that implementing the changes would increase administrative costs by an insignificant amount and would have no effect on overall caseloads for the districts.

The CBO staff contact for this estimate is Jon Sperl. The estimate was reviewed by H. Samuel Papenfuss, Deputy Director of Budget Analysis.
